- develop of budgets and cashflow forecasts
- assist you with creditor negotiations
- access dispute resolution services
- understand your rights and accessing broader professional advice and support, and access government and community grants, programs and assistance schemes.

About the Professional Services Fund Grant

The Professional Services Fund Grant offers funding up to \$5,000 (excluding GST) to successful applicants who are participating in the RSBSP.

The purpose of the grant is to enable clients to access specialist 3rd party advice, services or activities (professional services) when the inability to afford these professional services is a barrier to recovery, or to resolve an issue that has been identified through the RSBSP financial counselling case management process.

The grant is intended for small business owners who can show a real commitment to making the necessary changes to improve their situation, but who do not have a way of accessing the resources needed for the required eligible professional services.

Available funding

Expenditure for eligible professional services up to a cap of \$5,000 (excluding GST) can be applied for, per eligible client. Multiple applications up to this cap can be made.

Terms and conditions

Applications must be approved prior to the client engaging any service provider. Applications for activities which have already been ordered, invoiced or completed prior to the date of application cannot be considered.

Applicants must retain all tax invoices, official receipts, bank statements, quotations or other similar records for assistance received under the fund until one year after they submit their application.

Applicants must consent to SBFCS Southern Queensland conducting an audit of quotations, tax invoices, official receipts, bank statements or other similar records to verify the amounts given under the scheme have been used in accordance with the claim. Penalties may apply for false or misleading information

Conflicts of interest

A conflict of interest may arise due to a business dealing with SBFCS Southern Queensland, if the applicant's private interests' conflict with their obligations under the agreement.

Conflicts of interest could affect the awarding or performance of the applicant's agreement.

A conflict of interest can be: a) real (or actual); b) apparent (or perceived); or c) potential.

SBFCS Southern Queensland will ask the applicant to declare, as part of the application, any business dealings that may be considered an actual, perceived or potential conflict of interest or that, to the best of the applicant's knowledge, there is no conflict of interest. If the applicant later identifies that there is an actual, apparent or potential conflict of interest or that one might arise in relation to the agreement, the applicant must inform SBFCS Southern Queensland in writing immediately.

Definitions
